

Hobby Stock and Street Stock Tire Info

As most of you know, we have added another tire (Hoosier) that will be used in the street and hobby classes. I have attached the specs for the two sizes. In Medicine Hat they will be supplied by City Auto Parts (Chance Edelman 403 526 3088). To have tires before racing starts he has to put in an order by the end of February. Tires must be paid for at the time of ordering. Also, Davis GMC (Al Patterson) is not going to be bringing in American Racer tires anymore, they have about 50 left in stock and are selling for 200.00 each.
